--

Sub: Broadcasting- Industries- Installation of a Radio set- in the labour colony of the Government silk Filatures, Kollegal.

(K) Ref: G.O.Ms. No.4524 Development Department dated 13.11.1950.

The Radio Engineer of the State Broadcasting Department, who was requested to arrange for the purchase and installation of a R.E.L Radio set at the labour colony of the Government Silk Filatures, Kollegal has stated that no R.E.L set suitable for operation on the 25 cycles AC at Kollegal is available. In the circumstances, I request that Government may be pleased to issue an amendment to the G.O. cited so as to permit the purchase of an AC/DC Radio set instead of R.E.L Radio set. I request early orders of Government. I may add that the Radio Engineer has advised that it will be possible to secure a suitable set within the sanction already accorded in the G.O. cited.
